Who Are We?

ACADEMIC
STAFF

Ondokuz Mayıs University Çarşamba Commodity Exchange Vocational School aims to train highly qualified personnel who can build a bridge between the analytical engineer and the worker, who have the knowledge and skills required by the developing technology and the international standards required by the business world in service marketing in the public and private sectors.

Our Vocational School, established in 2000, has qualified academicians and currently provides education for over 1.500 students.

What About Our Qualifications and Academic Vision?

Our Vocational School has young and dynamic academic staff. Our academicians aim to train students with high professional skills, sought after in the international platform and who have the knowledge, skills and technological developments required by technical and economic-administrative education.

What Facilities Do We Have?

We have three computer labs, one simulation lab and one library.

What Are Our Programs and Job Opportunities?

Thanks to their achievements, our students are employed in public institutions and private sector organizations after graduation.

What Exchange Programs Do We Offer to Our Students?

Our Vocational School supports Erasmus, Farabi and Mevlana student exchange programs, and education opportunities are provided in partner countries and schools. Opportunities to improve language skills are provided through student exchange programs.

FARABI

MEVLANA

ERASMUS

In What Ways Do We Support the Professional, Cultural, and Social Atmosphere?

Our Vocational School cooperates with the private sector.
