## Who Are We?

Ondokuz Mayıs University Faculty of Sports Sciences is an educational institution that has achieved considerable success since the day it was founded, thanks to its faculty members who contribute to updating academic knowledge and shaping theory in the international arena, its appropriate physical infrastructure, its managerial-cultural climate that supports innovation and its conscious students.

In our faculty, founded in 1990, there are four professors, five associate professors, nine assistant professors, two research assistants with PhD, eleven lecturers, twelve research assistants, and 1662 students.

## What Facilities and Opportunities Do We Offer?

Our faculty has two laboratories, one fitness centre and two indoor gyms.

Our students who have the opportunity to reinforce the theoretical and practical knowledge they gain in courses have achieved many national and international successes so far.

NEWS

## What Are Our Programs and Job Opportunities?

Our students are employed as teachers of physical education; trainers, sports specialists, youth leaders or civil servants in youth and sports directorates; trainers in sports clubs; trainers, referees, massage therapists and coaches in private sports clubs.

## What Exchange Programs Do We Offer to Our Students?

Our faculty has student exchange agreements within the framework of the Farabi, Mevlana and Erasmus programs. Our students actively benefit from these exchange programs, and their perspectives on their fields of expertise are expanded with the experience they gain.

## In What Ways Do We Support the Professional, Cultural, and Social Atmosphere?

Our students have carried out many activities and organizations with societies so far. Many activities are carried out in our faculty to support sports consciousness, organize panels about innovations in sports, carry out social and cultural activities (walks, etc.) and guide children and adults to exercise.
